# JESUS KNOWS

All the bitter weary ways, endless striving day by day

you barely have the strength to pray in the valley low.

How hard your fight has been, how deep the pain within

wounds that no one else has seen hurts too much to show.

All the doubts you're standing in between and all the weight that brings you to your knees—

He knows, He knows, every hurt and every sting He has walked the suffering.

He knows, He knows, let your burdens come undone, lift your eyes up to the One

Who knows, He knows
